Summer 2023 Aid Request Form

By submitting this form, Financial Aid & Scholarships will determine your financial aid eligibility for the Summer 2023 semester. The deadline for submitting this form is **Monday, July 17, 2023**. Once your request has been reviewed, you will be notified via your ToroMail account.

SECTION 1: Units – Total number of Summer 2023 units and which Session(s):

Session 1 (5/31 - 7/7)	Session 2 (7/8 – 8/19)	Regular Session (5/31 – 8/18)	Occupational Therapy	Teaching Credential

SECTION 2: Grant

☐ I am only interested in a Federal Pell Grant (Undergraduates and Teaching credential students only).

Please note: If you were enrolled full-time (12 units) during the Fall and Spring semesters and will enroll at least half-time (6 units) for Summer, you may be eligible to receive additional Pell Grant funds. If you enroll in less than half-time for summer, you will only be considered for remaining Pell Grant eligibility from the 2022-2023 school year (only available if you were enrolled in less than full time during Fall 2022 or Spring 2023).

SECTION 3: Loan

☐ I would like to request a Federal Direct Loan in the amount of \$_____.

Requirement: To be eligible to borrow a Federal Direct Loan, you must be enrolled at least half-time (6 units undergraduate/Teaching Credential/Certificate/2nd Bachelors and 4 units [500 level] graduate).

There are two types of loans you may be offered:

- **SUBSIDIZED:** The Federal government will pay the interest on your loan while you are enrolled for at least a half-time unit load.
- **UNSUBSIDIZED:** The borrower is responsible for the interest accrued on this loan. You may choose to defer the interest while in-school, but the interest will be capitalized (i.e. added to the principal) when you go into repayment.

Note: You will be assessed an origination fee for each disbursement of your loan. These charges do not reduce the amount you are required to repay.

Student Certification (Please initial next to each statement):

_____ I understand the difference between a subsidized and unsubsidized loan and that I will be awarded an unsubsidized student loan if I have no remaining subsidized loan eligibility.

_____ I understand that if I am not enrolled in a minimum of 6 units (undergraduate or teaching credential) or 4 units (graduate 500 level) during Session I, my loan disbursement will be delayed until the start of Session II.

_____ I understand that if my actual summer enrollment does not meet the unit requirement, the loan award will be cancelled and I will be responsible for the payment of my summer tuition fees.

Important: As a financial aid recipient, you are required to maintain **Satisfactory Academic Progress (SAP)**. Please review the SAP Policy at www.csudh.edu/sap and refer to the chart below.

Summer 2023 Payment of Funds	Fall 2023 Payment of Funds
Summer 2023 financial aid payments and refunds will occur after the review of all Spring 2023 grades has been completed. If you do not meet the SAP standards, you will not be eligible for Summer funding.	Fall 2023 financial aid payments and refunds may be delayed until a review of Summer 2023 grades has been completed. If you do not meet the SAP standards, you will not be eligible for Fall funding.

By signing this form, I understand that if I am not eligible for summer financial aid, I will be responsible for the payment of my summer tuition fees.
